

THE GREAT OUTDOORS CONCEPT

As part of the Comprehensive Plan Update, Lewis County is proposing new strategies to connect communities to nearby park and recreation lands. The maps on this page show the proposed strategies along US 12.

COMPREHENSIVE PLAN UPDATE

THESE MAPS HAVE BEEN PREPARED AS PART OF THE UPDATE TO THE LEWIS COUNTY COMPREHENSIVE PLAN. IF YOU HAVE THOUGHTS ABOUT THE PROPOSALS, PLEASE IDENTIFY YOUR PERSPECTIVES ON THE SHEETS BELOW OR SEND THEM TO FRED.EVANDER@LEWISCOUNTYWA.GOV

- Letters below on **Morton** Map:
- A. Pursue a trail or joint-use rail/trail to Mineral
 - B. Pursue the acquisition of rail right-of-way, and/or a partnership to construct a trail from downtown Morton to the Cowlitz Wildlife Area—Peterman Ridge Unit
 - C. Establish a new trailhead on US 12 for the Cowlitz Wildlife Area—Peterman Ridge Unit
 - D. Seek a direct non-motorized connection from Morton to the natural area

- Letters below on **Packwood** Map:
- A. Designate recreational routes on certain streets and when necessary improve non-motorized access to National Forest lands
 - B. Work with the National Forest to improve accessibility to the federal land along the Cowlitz River
 - C. Add wayfinding signs at Skate Creek Road and US 12
 - D. Enhance walkability in the Packwood business district
 - E. Promote placemaking in the Packwood business district through street improvements at Main Street and US 12 and/or enhancements to the Packwood Timberland Regional Library land
